Peer Revision Worksheet

Using your guidelines for revision, read your partner's paper and fill out the worksheet. Remember, the purpose for this sheet is two-fold. By looking for other people's weaknesses you'll get better at finding your own. Also, if you take the time to give constructive feedback, not just criticism, you will be helping each other write better papers.

Focus (Suggested Point Value 40pts)

Paragraphs are	*Perfect*	*Good*	*Acceptable*	*Don't make sense*
Add	*Nothing*	*Needs a little*	*Underdeveloped*
